It’s like nothing else out there. You might even call it a segment of one.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may be also used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different sourcing units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles on different sites or to differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Midsize Pickups segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted in fleet orders. See dealer for details.

Colorado Crew Cab
Short Box ZR2 in Red Hot.
Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
IT’S BOLD. IT’S RESTLESS. JUST LIKE YOU.

One thing you need to know: Colorado will never be content to sit still.

Even though the available V6 has the most horsepower in its class, we knew we could push the boundaries of what a midsize pickup is capable of. Colorado with the available Duramax® 2.8L Turbo-Diesel engine offers the best fuel economy of any pickup as well as best-in-class towing power and torque.

And for an encore, we created the brand-new ZR2, the truck built to dominate the off-road from the word “go.”

The 2017 Colorado. This is what happens when you never stop striving for more.
1. **LIGHT THE WAY.** Projector-beam headlamps, a gunmetal grille and model-specific badging bring a one-of-a-kind appearance to Z71.

2. **NO ROADS NECESSARY.** With 17-inch Dark Argent Metallic-painted cast-aluminum wheels and all-terrain tires, Colorado Z71 4x4 defines trail-ready.

3. **ALWAYS A STEP AHEAD.** It’s easy to reach the cargo bed of Colorado with the ingenious CornerStep rear bumper.

4. **GIVE YOURSELF A HAND.** Corner hand grips are standard and cargo tie-down rings from Chevrolet Accessories are available, elevating Colorado cargo bed functionality to an even higher level.
CUSTOM SPECIAL EDITION

3 Late availability for Shoreline Special Edition.
THE ULTIMATE OFF-ROAD COLORADO.
With segment-exclusive front and rear electronic locking differentials, first-in-class Multimatic DSSV™ Damping System that offers an exceptional ride, one-touch terrain select for desert, mud or mountains, 50mm front and rear lift, and 90mm wider stance, ZR2 is the off-road midsize pickup every competitor wants to be when it grows up.

THE SOURCE OF ZR2 POWER.
Where you're going, ordinary engines won't do. The available GM-exclusive Duramax 2.8L Turbo-Diesel 4-cylinder produces 369 lb.-ft. of best-in-class torque. And the 3.6L DOHC V6 sets high standards too, delivering a massive 308 horsepower and 269 lb.-ft. of torque.

TRAIL-READY FORM AND FUNCTION.
Tubular rocker panels protect your lower doors when you head off-road, while skid plates defend against underbody damage. A bed-mounted spare, available from Chevrolet Accessories, helps ensure you have the most rear clearance possible when roads get steep.

AN AGGRESSIVE ATTITUDE.
The new front fascia and grille let your trail buddies know ZR2 has arrived. A hood scoop and wheel flares intensify the appearance. Inside, ZR2 sill plates and embroidered head restraints are standard, and the Driver Information Center displays your off-road performance.
1. **ILLUMINATED CHEVROLET BOWTIE.**
Available in Black or Gold, this bowtie lets you light up the streets in a completely different way.

2. **BODY-COLOR GRILLE.**
An available accessory grille offers an individualized appearance for your Colorado.

3. **BED-MOUNTED SPARE TIRE CARRIER.**
Designed specifically for Colorado ZR2, this durable carrier lets you move the spare tire from underneath the vehicle, providing easy access and extra clearance when you go off-road.

4. **SPORT BAR WITH OFF-ROAD LED TRAIL LIGHTS.**
Enhance your truck’s appearance and illuminate the trail ahead at the same time with these available accessories.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet Division-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first) or b) the balance of the applicable portion of the New Vehicle Limited Warranty. See your dealer for details. Some vehicles are shown with equipment from an independent supplier. GM licensed and Associated Accessories are covered under the accessory-specific manufacturer’s warranty and are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent supplier alterations.
The available GearOn System is an innovative solution that lets you organize and secure your stuff. Put bikes, canoes and boards above the bed, and securely stow even more gear below.

Colorado Crew Cab Short Box LT in Graphite Metallic with available GearOn Divider Package, GearOn Utility Rack Package and Thule Hull-A-Port Pro Kayak/Canoe Carrier from Chevrolet Accessories.
**SKI/SNOWBOARD CARRIER.**
GearOn Cross Rails and Universal Flat Top™ Ski/Snowboard Carrier by Thule®, available from Chevrolet Accessories, let you load up everything you need for a day on the slopes.
Colorado Extended Cab Long Box LT in Black with available features, GearOn™ Bar Package and Thule Big Mouth Bike Carrier attachment from Chevrolet Accessories.
INTERIOR DESIGN

Colorado Z71 interior in Jet Black with available features.
MAKE YOURSELF COMFORTABLE.
The available leather-appointed seats and standard cloth seats are contoured for maximum support and leg room. For added comfort on a cold day, heated front seats are included with leather-appointed seats and available with cloth.

BEYOND QUIET. Colorado was the first truck in its class to combine design features such as inlaid triple-sealed doors and thick windshield and side glass to help reduce wind noise inside the cab.

SMART STORAGE. A huge center console provides secure storage for your valuables. Crew Cab models feature a fold-down rear seat with hidden underseat storage.

DRIVER INFORMATION CENTER.
An available full-color 4.2-inch diagonal multi-function display1 provides critical data at a glance, including tire pressure readouts, instant and average MPG, digital speedometer, fuel range and much more.

Z71 STYLE. Colorado Z71 features an exclusive Jet Black cloth and leatherette interior that’s durable and easy to clean.

STAY IN CHARGE. Two USB ports2 are available and two charge-only USB ports2 are standard on LT and Z71.

1 Standard on LT and Z71. 2 Not compatible with all devices.
Colorado LT interior in Jet Black with available features.
1. **Apple CarPlay™ COMPATIBILITY**!
Take some of your most used compatible iPhone® features and put them on your vehicle’s touch-screen display in a smart, simple manner. Access your Phone, Music, Maps and Messages, as well as some of your other favorite apps.

2. **FINGERTIP CONTROL**. Bluetooth® wireless technology with steering wheel-mounted controls gives you access to features of your compatible iPhone using Siri Eyes Free.

3. **Android Auto COMPATIBILITY**.
You can quickly and intuitively interact with select smartphone apps that support Android Auto.™ This system takes some of your compatible Android phone’s features and puts them on the Chevrolet MyLink® display. You can access your navigation, phone, text messages, music and more.

EVEN THE TOUCH-SCREEN IS SMART. Available Chevrolet MyLink® lets you arrange icons and features on the color touch-screen. Touch and swipe on the screen just like you do on your smartphone.

SHOP! Easily browse, select and install apps that enhance your driving experience so it gets better every day. Using your vehicle’s touch-screen, you can customize your content with music, audiobooks, weather and more.

MAINTAIN YOUR CONNECTIONS. Chevrolet offers OnStar 4G LTE plus an available built-in Wi-Fi® hotspot, providing a more powerful connection than a smartphone or mobile hotspot, with bandwidth for up to seven devices.

myChevrolet Mobile App. Download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine, lock/unlock the doors, send destinations to your available navigation® system, and more.
Colorado Crew Cab Short Box Z71 4x4 Diesel in Laser Blue (late availability) with dealer-installed 3-inch Black Assist Steps from Chevrolet Accessories.
FUEL EFFICIENCY. With its available Duramax 2.8L Turbo-Diesel 4-cylinder engine, the award-winning Colorado is the most fuel-efficient pickup you can buy — offering a remarkable EPA-estimated 30 MPG highway and a maximum highway range of 630 miles per tank.

BEST-IN-CLASS TORQUE. That same Duramax Turbo-Diesel engine lets Colorado offer a class-leading 369 lb.-ft. of torque. Towing, hauling or passing, you’ll feel the type of strength you need in the toughest situations.

BUILT FOR THE LONG HAUL. The Duramax 2.8L Turbo-Diesel takes midsize truck capability to unprecedented levels. The 4-valves-per-cylinder design contributes to excellent performance as well as best-in-class fuel economy. With an engine block made of durable cast iron, there’s no doubt this Duramax engine was created specifically for trucks.

1 EPA-estimated MPG city/highway: Colorado with available Duramax 2.8L Turbo-Diesel engine 22/30 (2WD), 20/28 (4x4). 2 Range based on EPA estimate for Colorado 2WD with available Duramax 2.8L Turbo-Diesel engine and fuel tank capacity. Your range may be less.

- 308 horsepower
- 275 lb.-ft. of torque
- 7,000 lbs. maximum available towing
- 1,574 lbs. maximum payload
- Dual overhead cam (DOHC)
- Continuously Variable Valve Timing
- Spark Ignition Direct Injection (SIDI)

**2.5L 4-CYLINDER ENGINE**
- 26 MPG highway fuel economy
- 200 horsepower
- 191 lb.-ft. of torque
- 3,500 lbs. maximum available towing
- 1,440 lbs. maximum payload
- Continuously Variable Valve Timing
- Spark Ignition Direct Injection (SIDI)
7,700 LBS. OF TOWING POWER. A properly equipped Colorado with the available 3.6L V6 engine can tow up to 7,000 lbs.\(^1\) With the available Duramax 2.8L Turbo-Diesel 4-cylinder engine, it can tow up to 7,700 lbs.\(^2,3\) That’s full-size capability in a more maneuverable package.

FULLY BOXED FRAME. This rugged foundation provides maximum hauling capability. Strategic use of advanced high-strength steel reduces mass while reinforcing strength.

STRENGTH COMES WITH A SMOOTH RIDE. With a coil-over-shock front suspension, rear leaf springs, asymmetric rear shock placements and a wide track, Colorado is solid, smooth and capable — loaded and unloaded.
**Truck-Proven Technologies.**

Electric Power Steering, 4-wheel disc brakes and long-lasting Duralife™ brake rotors deliver a confident drive. An automatic locking rear differential is available on WT and LT and standard on Z71 models. Driver-selectable full locking front and rear differentials are standard on ZR2.

**6-Speed Automatic Transmission.**

An electronically controlled 6-speed automatic transmission with Tow/Haul mode† and auto grade braking is standard on LT, Z71 and Crew Cab WT models with either the 2.5L 4-cylinder or available Duramax 2.8L Turbo-Diesel 4-cylinder engine. This transmission is standard on ZR2.

**8-Speed Automatic Transmission.**

New for 2017, this strong, durable, smooth-shifting transmission is constructed with extensive amounts of aluminum and magnesium to help reduce size and weight. Included with available 3.6L V6 on Crew Cab Long Box 2WD and Crew Cab 4x4 models; available on Extended Cab models.§

MORE AVAILABLE TOWING THAN ANY COMPETITOR.
SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.
A comprehensive package of available innovative driver assist technologies use strategically located cameras to help warn you of potential risks on the road — or even in a parking lot.

**AVAILABLE SAFETY PACKAGE.** This package, available on LT models, includes Lane Departure Warning and Forward Collision Alert. A rear vision camera is standard on all models.

**LANE DEPARTURE WARNING.** If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

**FORWARD COLLISION ALERT.** This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Colorado is following a detected vehicle too closely.

**REAR VISION CAMERA.** When the transmission is in Reverse, the standard rear vision camera with dynamic guiding lines allows the driver to view objects directly behind the vehicle via the screen in the center stack. So it’s easier to back up, park or hook up a trailer.

**STABILITRAK WITH TRACTION CONTROL.** The advanced StabiliTrak® Electronic Stability Control System with rollover mitigation works in conjunction with standard ABS and Traction Control.

**SIX AIR BAGS.** Every Colorado offers six standard air bags! Sensors determine how many air bags deploy — including side air bags for the driver and front passenger.

**TEEN DRIVER.** This new technology helps to encourage and coach safe driving habits in a number of ways, including in-vehicle reports that monitor the frequency of available active safety feature activations, muting the audio system when front-seat occupants aren’t wearing their safety belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

**HIGH-STRENGTH STEEL FRAME.** The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

**ROLL-FORMED STEEL PICKUP BOX.** Colorado features an exclusive roll-formed steel pickup box with advanced high-strength steel, which is stronger and lighter than traditional stamped-steel designs.

---

1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.
COMMERCIAL

Colorado Extended Cab Long Box WT 4x4 in Summit White with available features.
TRUCKS YOU CAN COUNT ON FROM START
to Finish. For nearly 100 years, Chevy
has given small business owners the
tools they need to help get the job done.
Our dealers can show you how our
portfolio of vehicles — the industry’s
most comprehensive lineup — can help
your business run more efficiently.
Because business is all about the bottom
line, you’ll be happy to know Colorado has
the lowest 2016 5-Year Cost to Own in its
class according to Kelley Blue
Book’s KBB.com!  

TAILORED FOR YOUR BUSINESS.
The Business Choice Program allows
small business owners to choose
from a variety of upfit and accessory
options to ensure work vehicles are
cost-effective and properly equipped.

BUSINESS ELITE DEALERS. Chevrolet
Business Elite Dealers provide owners
with a team of expert sales consultants
to help select the right vehicles for the
job. Plus, every Business Elite service
department has the facilities, tools,
equipment and certified technicians to
accommodate your specific needs.

COMMERCIAL LINK. This platform,
available through OnStar® provides
small business owners with the tools,
reporting and customization needed to
help optimize costs and reduce vehicle
downtime. Access key information such
as location, fuel efficiency, speed, miles
driven and maintenance needs to help
keep your business running at
maximum efficiency.

1 2016 model-year vehicle’s projected cost to own for the initial five-year ownership period is based on the average Kelley
Blue Book 5-Year Cost to Own data, which considers depreciation and costs such as fuel and insurance. For more
information, visit KBB.com.  
2 Visit onstar.com for coverage map, details and system limitations.

- Single-zone automatic climate control with air conditioning
- Remote vehicle starter system
- 4-way power driver- and front passenger-seat adjusters with power lumbar control
- Sliding rear window
- Electric rear-window defogger

---

1. A NOTE ON CHILD SAFETY! Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.
2. Not compatible with all devices.
3. Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers.
4. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Colorado does not include CD player. Map coverage available in the United States, Puerto Rico and Canada. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about Travel Link and NavTraffic, visit siriusxm.com/infotainment. Go to my.chevrolet.com/learn for vehicle and smartphone compatibility. 2 Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations. Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service. Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T. "The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details. Standard on Crew Cab Short Box 2WD and Extended Cab models.
