SIZED TO FIT YOUR LIFE.

When it comes to tackling the demands of everyday life, the 2015 Cruze delivers. Ingenious technology, remarkable fuel efficiency, surprising space and the most standard safety features in its class make this a highly accomplished multi-tasker.

From Cruze Eco to Turbo Diesel to LTZ, you’ve got options that combine performance with responsive handling and quiet refinement.

With everything this smartly designed sedan has to offer, Cruze is way beyond the everyday drive.

1 EPA-estimated MPG city/highway: Cruze LS with 1.8L 4-cylinder engine and manual transmission 25/36; Cruze LS with 1.8L 4-cylinder engine and automatic transmission 22/35; Cruze with 1.4L 4-cylinder engine 26/38; Cruze Eco with 1.4L 4-cylinder engine and manual transmission 28/42; Cruze Eco with 1.4L 4-cylinder engine and automatic transmission 26/39; Cruze Diesel with 2.0L 4-cylinder diesel engine 27/46.
“CRUZE MOVES CHEVROLET TO THE FRONT OF THE SMALL-CAR PACK.”

— NEWCARTESTDRIVE.COM
EXTERIOR DESIGN

Cruze LtZ in Blue Ray Metallic with available features.

IN THE 2015 CRUZE, SLEEK NEW STYLISHNESS GOES ALONG FOR THE RIDE.

1. A bold dual-tier grille with sparkling chrome highlights is new for 2015.
2. The available RS Appearance Package on LT and LTZ includes unique front and rear fascias and rocker moldings.
3. Available LED daytime running lamps are illuminatingly beautiful.
ALL THE ROOM TO FIT YOUR LIFE.

IT’S BIG INSIDE. It’s called a compact, but you’d never know it. Cruze offers more passenger room than Ford Focus Sedan and Honda Civic EX. It also surpasses them with more cargo space.

BONUS ROOM. Your rear-seat passengers will appreciate the extra-spacious accommodations. The available, folding rear-seat armrest is another unexpected luxury in Cruze LTZ.

A SPLIT PERSONALITY. When you need room to transport larger — or even longer — items, you’ll appreciate the standard 60/40 split-folding rear seats that provide additional cargo space.

UNEXPECTED EXTRAS. Cruze has it all: a comfortable ride, a hushed interior and the upscale appointments of a larger and more expensive sedan — without the expensive price tag.

IT’S ALL IN THE DETAILS. Soft touch interiors, rich colors and available heated leather-appointed front seats — they’re the thoughtful touches and attention to detail that give Cruze an exceptional feel.

POINEER PREMIUM SOUND. The 9-speaker, 250-watt Pioneer® premium audio system with high-frequency tweeters is available on most Cruze models.
EVERYTHING YOU COULD WANT. AND THEN SOME.

1. With smartly designed cargo space and 60/40 split-folding rear seats, the remarkably accommodating Cruze is sized to fit your life.

2. OnStar RemoteLink® mobile app 1 lets you start your engine from your smartphone (requires available factory-installed and enabled remote vehicle starter system).

3. Get comfortable. Cruze has more passenger room than Ford Focus Sedan or Honda Civic EX.

1 Available on select Apple, Android, BlackBerry and Windows devices. See owner’s manual for details. Subject to device limitations. Requires active OnStar subscription, which is standard for 6 months.
1. Access your favorite music and media with the available Chevrolet MyLink 1 and 7-inch diagonal color touch-screen.

2. Available Chevrolet MyLink® Radio with Navigation lets you choose map view or activate turn-by-turn directions using voice and touch controls.

3. Connect your smartphone to the USB port to charge or play music.

* Full functionality requires compatible Bluetooth® device and a smartphone. Map coverage available in the United States, Puerto Rico and Canada. A list of compatible smartphone models is available online or call 1-800-222-1020 for further information.

* Contact your smartphone to the USB port to charge or play music.

* TOTALLY CONNECTED. Available Chevrolet MyLink® with Bluetooth® wireless technology makes it easy to connect to calls, music and contacts on the go — all by using voice commands or the 7-inch diagonal color touch-screen display.

* SIRI EYES FREE. For compatible iPhone® users, the system allows limited hands-free interaction for those times when you need to read or compose a text message, make phone calls or play your favorite music.

* STREAMING MUSIC. Available Chevrolet MyLink® allows you to stream music from online sources like Pandora Internet Radio® or from playlists stored on your smartphone. You can also enjoy listening to your 3-month trial of SiriusXM® Satellite Radio® All Access Package.

* Requires available Chevrolet MyLink and compatible iPhone running iOS 6 or later. Data plan rates apply.

* Requires available Chevrolet MyLink and compatible smartphone, available for compatible Bluetooth enabled devices. Map coverage available in the United States, Puerto Rico and Canada. A list of compatible smartphone models is available online or call 1-800-222-1020 for further information.

* For more information about Travel Link, visit siriusxm.com/travellink. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about XM satellite service, visit siriusxm.com. XM satellite service is available only in the 48 contiguous United States and D.C.
INTERNET IN YOUR CRUZE. Chevrolet is the first and only car company to bring built-in 4G LTE Wi-Fi hotspot to cars, trucks and crossovers, offering drivers the ability to seamlessly connect their smart devices and vehicles to the Internet.

THE ULTIMATE MOBILE WI-FI HOTSPOT. Whenever your Cruze is on, available OnStar 4G LTE Wi-Fi is on too. It offers great signal quality and bandwidth for up to seven devices!

"CRUZE REMAINS PRETTY MUCH A CAN’T-GO-WRONG CHOICE, PARTICULARLY IF ITS NEW CONNECTIVITY FEATURES ARE IMPORTANT TO YOU."
— EDMUNDS.COM

FAST, EASY, RELIABLE. The available built-in OnStar with 4G LTE provides a better in-vehicle experience than your smartphone. Our stronger signal means you have a reliable connection. It’s automatically on after initial setup and ready to connect to your mobile devices. 1

1 Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations.

INTEGRITY IN YOUR CRUZE. The available built-in OnStar with 4G LTE provides a better in-vehicle experience than your smartphone. Our stronger signal means you have a reliable connection. It’s automatically on after initial setup and ready to connect to your mobile devices.

PERFORMANCE

46 MPG HIGHWAY DOESN’T COME ALONG EVERY DAY. UNTIL NOW.

2015 CRUZE TURBO DIESEL: AN INTRIGUING BLEND OF EFFICIENCY AND POWER. The 15.6-gallon (approx.) tank lets you drive a maximum of 717 highway miles without stopping to refuel.*

CRUZE TURBO DIESEL: AN INTRIGUING BLEND OF EFFICIENCY AND POWER. The 15.6-gallon (approx.) tank lets you drive a maximum of 717 highway miles without stopping to refuel.*

Cruze Turbo Diesel has been designed to reduce the noise and vibration often associated with previous-generation diesel cars.

Cruze Turbo Diesel emissions are below strict U.S. environmental standards.

UNBEATABLE FUEL ECONOMY. Cruze Turbo Diesel technology maximizes both efficiency and performance. With an EPA-estimated 46 MPG highway, Cruze Turbo Diesel boasts fuel economy that’s unsurpassed by any other gasoline or diesel car in America.

REDUCES EMISSIONS. NOT POWER. Cruze Turbo Diesel offers the performance of a V6 with the efficiency of a 4-cylinder. That’s because it features the very latest clean diesel technology, which helps reduce emissions without sacrificing power.

OUTRUNS JETTA TDI. The 2.0L turbocharged clean diesel engine in the Cruze Turbo Diesel can take you up to 717 highway miles on one tank, while offering an SAE-certified 151 horsepower and 264 lb.-ft. of low-end torque — more than Volkswagen Jetta TDI.

*EPA estimated. Based on Cruze Diesel EPA-estimated 46 MPG highway and fuel tank capacity. Your range may be less. *Based on Cruze Diesel EPA-estimated 46 MPG highway and fuel tank capacity. Your range may be less. *Based on Cruze Diesel EPA-estimated 46 MPG highway and fuel tank capacity. Your range may be less. *Based on Cruze Diesel EPA-estimated 46 MPG highway and fuel tank capacity. Your range may be less.
IN CRUZE ECO, LITTLE THINGS ADD UP TO BIG MPG.

INGENUOUS DESIGN. The advanced technology of Cruze Eco contributes to outstanding fuel efficiency. By incorporating smooth underbody panels, a rear spoiler and a lower front grille air shutter that closes at high speeds, air resistance decreases so there’s nothing standing between you and your destination.

ENHANCED AERO. We’ve also chosen lightweight wheels and ultra-low rolling resistance tires. These innovative features help Cruze Eco offer 42 MPG highway,1 better than Ford Focus Sedan, Honda Civic and Hyundai Elantra.2

1 EPA estimated for Cruze Eco with 6-speed manual transmission with ECO overdrive gearset. 2 All other 2014 data is based on EPA estimates. 2014 Cruze information: www.chevrolet.com/cruze

*Chevrolet Cruze Eco in Silver Ice Metallic with available features.
TURBOCHARGED CRUZE LTZ: CONSIDER THE ENVELOPE PUSHED.

EFFICIENCY MAXIMIZED. Mileage rules, but you don’t have to sacrifice power to save a buck. Cruze LT and LTZ with an available 6-speed automatic transmission offer up to an EPA-estimated 38 MPG highway. Cruze Eco and the Cruze Turbo Diesel take efficiency even further.

138-HP ECOTEC TURBO. The available ECOTEC® 1.4L turbocharged engine delivers a gutsy 148 lb.-ft. of torque. The turbo increases engine power, allowing for a robust, immediate driving experience. Premium features include dual-overhead camshafts and Continuously Variable Valve Timing.

DRIVER SHIFT CONTROL. With the available 6-speed automatic transmission, Driver Shift Control lets you switch from automatic to manual operation. Just move the gearshift into Driver Shift Control mode and a quick tap is all that’s required for smooth, crisp shifts.

MORE WAYS TO POUNCE. With rack-mounted Electric Power Steering and an available race-proven Z-link rear suspension, along with other fuel-maximizing choices like Eco1 and Diesel2, Cruze has the poise and confidence of a carefully tuned sport sedan.

1. EPA-estimated 28 MPG city/42 highway with Cruze Eco manual transmission; 26 MPG city/39 highway with Eco automatic transmission. 2. EPA-estimated 27 MPG city/46 highway with Cruze Diesel.
MORE STANDARD SAFETY FEATURES THAN ANY OTHER CAR IN ITS CLASS.

STATE-OF-THE-ART SECURITY. A high-strength steel safety cage outperforms requirements. Our “more” approach to safety also includes 10 standard air bags, plus an available rear vision camera, Rear Cross Traffic Alert and Side Blind Zone Alert features that set the bar for safety.

ONSTAR. Standard for six months with the Directions & Connections® Plan, OnStar® features the Automatic Crash Response system. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who can immediately connect into your vehicle. Even if you can’t respond, OnStar can send whatever help you need, based on GPS coordinates and crash data.

SIDE BLIND ZONE ALERT. This available feature uses radar sensors on both sides of the vehicle to help “look” for other vehicles in the blind zone areas and alerts you of their presence.

REAR CROSS TRAFFIC ALERT AND REAR VISION CAMERA. This available system alerts you to crossing traffic behind your Cruze when traveling in reverse, such as backing out of a parking spot, including angled parking. Audible alerts, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Cruze Owner’s Manual for more important safety information.

Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure everyone is properly restrained. Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.
WE’RE WITH YOU ALL THE WAY.
Chevrolet Complete Care reflects our commitment to you and your new Cruze. We’ve got you covered with 2 years of included Scheduled Maintenance and 5 years of Roadside Assistance and Courtesy Transportation.
