IS THE AWARD-WINNING IMPALA THE WORLD’S FINEST LARGE SEDAN?

Ultimately, that’s something you’ll decide when you experience it for the first time.

Discover the harmonious blend of wants and needs. The convergence of aesthetics and aerodynamics in an alluring silhouette. Here craftsmanship puts comfort in a stunning context. Connectivity spreads its wings with an available built-in 4G LTE Wi-Fi® hotspot!

Impala doesn’t just stand on its own with the world’s leading premium sedans. It stands out entirely.

1 Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations. Vehicle must be on or in accessory mode to access Wi-Fi.
Impala LTZ in Blue Velvet Metallic with available features.
“The overwhelming sense in the new Impala is one of contemporary luxury.”
— Kelley Blue Book’s KBB.com

PURE, PURPOSEFUL ELEGANCE.

1. Aesthetically pleasing design supports aerodynamic performance.
2. Available LED daytime running lamps enhance visibility to others.
3. The powerdome hood, wide chrome grille and available high-intensity discharge headlamps establish a confident presence.
“The Impala’s dynamic, modern exterior writes checks that its interior is pleased to cash.”

—Edmunds.com
Impala LTZ interior in Jet Black/Mojave with available features.
Impala LTZ in Blue Velvet Metallic.
1. Carry everything from golf clubs to luggage with 18.8 cubic feet of trunk space.

2. Weather the storm with umbrella storage in the front door pockets.

3. Get situated with available 8-way power-adjustable front seats with power lumbar control.

4. Plug a laptop or other device into the available 120-volt outlet behind the center console.

1 Cargo and load capacity limited by weight and distribution.
Impala LTZ interior in Jet Black/Mojave with available features.
BEAUTY SURROUNDS YOU. Inside Impala LTZ, you are indulged in elegance. Meticulous French stitching and available woodgrain trim accentuate the flowing instrument panel, which wraps you in ergonomic convenience.

UNEXPECTED LUXURIES ABOUND. The thoughtfully designed LTZ interior makes every journey pure pleasure. The available heated steering wheel with a power tilt/telescoping feature combines with available heated and ventilated leather-appointed front seats to offer year-round comfort.

A SAFE PLACE. The available 8-inch diagonal color touch-screen includes hidden, lockable storage behind the display to stow valuables safely out of sight. It also includes a USB port¹ for charging your smartphone.

EVERY LAST DETAIL PUTS YOU FIRST. Your favorite songs come alive with the available premium 11-speaker Bose® Centerpoint® Surround Sound System, while the sounds of the outside world seem to disappear with triple-sealed doors and acoustic-laminated glass.

¹Not compatible with all devices.
TOTALLY CONNECTED. Available Chevrolet MyLink® with Bluetooth® wireless technology makes it easy to connect to calls, music, contacts and more on the go—all by using natural voice commands or the 8-inch diagonal color touch-screen display.

SMART NAVIGATION. Get directions with OnStar® Turn-by-Turn Navigation, standard for six months! Or go for the available Chevrolet MyLink® Radio with Navigation, featuring full GPS navigation, along with a 3-month trial of SiriusXM NavTraffic and Travel Link® for weather and traffic updates, fuel prices and more.

A SIMPLE AND SMART WAY TO ACCESS YOUR iPhone. With available Apple CarPlay® compatibility, you can interact with some of your iPhone® apps. Apple CarPlay takes some of the iPhone features you want to access and puts them on your vehicle’s touch-screen display in a smart, simple manner. You’ll have access to Phone, Music, Maps, and Messages, as well as some of your favorite apps (e.g., MLB.com At Bat®, Spotify) controlled via Siri Eyes Free® or the touch-screen display in your Impala.

SIRI EYES FREE. If you have a compatible iPhone, you can use Siri Eyes Free® to compose and read text messages, access your calendar, get game scores, check the weather and more.
INTUITIVE INTELLIGENCE — CUTTING-EDGE AND CUSTOMIZABLE.

1. To personalize the home screen, simply drag and drop the application icons — just as you would on a smartphone or tablet. Available on LT and LTZ.

2. Available Chevrolet MyLink1 is capable of pairing up to 10 mobile devices with Bluetooth wireless technology2.

3. Keyless Access with Push-Button Start is standard on Impala LTZ.
AVAILABLE BUILT-IN 4G LTE WI-FI MAKES IMPALA YOUR INTERNET CONNECTION.
AVAILABLE INTERNET IN YOUR IMPALA.
Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.1

THE ULTIMATE BUILT-IN WI-FI HOTSPOT.
After initial setup, whenever your Impala is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices.1

FAST, EASY, RELIABLE.
OnStar with 4G LTE provides a better in-vehicle experience than you’ll get with your smartphone. Our stronger signal means you have a reliable connection.1

1 Devices must be WPA2-compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations.
WE’VE GOT YOUR BACK. AND SIDES. AND FRONT.

TECH THAT PROTECTS. Some of the most impressive Impala features are the ones you can’t see, including available Forward Collision Alert, Lane Departure Warning, Side Blind Zone Alert with Lane Change Alert and Rear Cross Traffic Alert.

FORWARD COLLISION ALERT. This available feature identifies vehicles ahead and warns the driver of possible front-end collision threats, helping provide time to stop and/or change course. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Impala is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, the available Side Blind Zone Alert helps to “look” for other vehicles in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as the Side Blind Zone Alert system, this available feature alerts you to crossing traffic behind your Impala when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

LANE CHANGE ALERT. Working with Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 82 feet away, not just in the side view mirror blind zones.

REAR VISION CAMERA. When traveling in reverse at low speeds, the available rear vision camera provides a real-time picture of the area immediately behind your Impala on the touch-screen display.

FULL-SPEED-RANGE ADAPTIVE CRUISE CONTROL. Using grille-mounted radar, this available feature maintains your selected cruise speed and following gap distance, automatically braking when necessary in stop-and-go traffic.

FRONT AUTOMATIC BRAKING. Using the same radar sensors as Adaptive Cruise Control, available Front Automatic Braking helps prevent or mitigate collisions at low speeds. The system alerts the driver if the lead vehicle slows unexpectedly.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for more important safety information.
CORE STRENGTH. With high-strength steel forming a rigid structure around the passenger compartment and 10 standard air bags, Impala establishes a solid foundation for safety.

STABILITRAK® ELECTRONIC STABILITY CONTROL. This standard system automatically adapts to the environment to help you stay on course in challenging weather and road conditions.

“★★★★★” OVERALL VEHICLE SCORE FOR SAFETY. — NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION
ONSTAR AUTOMATIC CRASH RESPONSE.

In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Impala to see if you need help — even if you can’t ask for it.

Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Guidance Plan is standard for six months.

ONSTAR REMOTELINK® MOBILE APP.

Now you can control your car from anywhere you have a signal with an app that lets you remote start your vehicle (requires available factory-installed and enabled remote vehicle starter system), pinpoint your vehicle’s location on a map, manage your Wi-Fi hotspot, unlock your doors, and monitor your fuel level and oil life — all from your smartphone. You’re connected wherever you go.

1 Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.SaferCar.gov). 2. A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child’s age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate Infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner’s Manual and the child safety seat instructions for more safety information. 3. Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. 4 Available on select iOS, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar service, which is standard for six months.

WIDER RPM RANGE

Available 3.6L V6 engine.
RAZOR-SHARP REFLEXES. A stiff body structure and athletic stance allowed Impala engineers to precisely tune ride and handling. Premium electric rack-and-pinion steering provides crisp, responsive handling. The tight steering radius is enhanced by a variable-effort feature, which increases power assistance during low-speed maneuvers.

305-HP 3.6L V6 ENGINE. Would you appreciate robust performance with the fuel efficiency of an advanced V6 engine? With an available 305-hp 3.6L V6 matched to an electronically controlled 6-speed automatic transmission, Impala leaps from 0 to 60 mph in 6.8 seconds.

196-HP ECOTEC 2.5L ENGINE. This 4-cylinder engine combines Direct Injection, Variable Valve Timing and stop/start technology to help save on gas. Stop/start technology can automatically shut off the engine when stopped and enables a smooth transition when the brake pedal is released.
SPECIAL FEATURES

Impala LTZ in Blue Velvet Metallic with available 20”-inch aluminum wheels.

**OWNERSHIP EXTRAS**

- Your Comprehensive Owner Benefit Program
- Includes two visits for Scheduled Maintenance (oil and filter changes, tire rotations and multipoint vehicle inspections)
- 5 years/60,000 miles of Roadside Assistance and Courtesy Transportation
- 5-year/60,000-mile Powertrain Limited Warranty
- 3-year/36,000-mile Bumper-to-Bumper Warranty
- 6 years/100,000 miles of Rust-Through Protection
- 5 years of OnStar Basic Plan including select features of the RemoteLink mobile app
- 6 months of OnStar Guidance Plan

**WARRANTY**

- **5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY** Every 2016 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 5 years/60,000 miles (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

- **NEW VEHICLE LIMITED WARRANTY** GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.
