When getting from here to there is likely to take you anywhere.

When getting from here to there is likely to take you anywhere.
Tahoe Premier in Siren Red Tintcoat (extra-cost color) with available features.
The Chevrolet Tahoe received the lowest number of problems per 100 vehicles among large SUVs in the J.D. Power 2016 Initial Quality Study, based on 80,157 total responses, evaluating 245 models, and measures the opinions of new 2016 vehicle owners after 90 days of ownership, surveyed in February–May 2016. Your experiences may vary. Visit jdpower.com.
LEAD THE WAY.

You can accomplish anything in the 2017 Tahoe. The incredible capability of the 5.3L EcoTec3 V8 engine blends seamlessly with the exceptional refinement of its finely crafted interior. Innovative technology complements available advanced safety features to help you stay both connected and protected.

With uncompromising versatility and a track record that stretches for miles, it's no wonder the 2016 Tahoe was named the “Highest Ranked Large SUV in Initial Quality” by J.D. Power! Or that, year after year, Tahoe is America’s best-selling full-size SUV.
THE LEGEND OF Z71. With its rugged suspension, two-speed active transfer case, high-capacity air cleaner, 3.42 rear axle ratio, skid plates and Hill Descent Control, the available Z71 Off-Road Package can take you as far as you want to go. Add in Black recovery hooks, foglamps, 18-inch wheels with all-terrain tires, tubular assist steps, front sill plates and rubber floor mats with the Z71 logo and you’re not just ready to take on the off-road, you’re ready to tame any road at all.

DON’T BE AFRAID OF THE DARK. The available Z71 Midnight Edition turns Tahoe to the dark side with 18-inch Black-painted wheels, Goodyear DuraTrac tires, a Black mesh grille, Black roof rack cross rails, and front and rear Black Chevrolet bowtie emblems (late availability).
1. MIDNIGHT MEETS TAHOE LT.  
The available LT Midnight Edition lets the world know you’ve arrived (late availability).

2. WELCOME ABOARD. Black tubular assist steps add a striking finishing touch to the exterior of Tahoe with the available Z71 Off-Road Package.

3. A BOLD FIRST IMPRESSION.  With a Black mesh grille, a Black Chevrolet bowtie emblem and a trail-ready skid plate, there’s no mistaking the opening statement made by the available Z71 Midnight Edition.
Tahoe Premier interior in Cocoa/Mahogany (extra-cost color) with perforated leather appointments and available features.
1. **POWER-FOLDING THIRD-ROW SEATS.**
The conveniently placed buttons allow Tahoe with power-release second-row seats and power-folding third-row seats to go from passenger space to cargo space in no time. Standard on Premier and available on LT.

2. **EVERYTHING CLOSE AT HAND.**
Important items are never out of reach with door storage for water bottles, umbrellas, maps and more.

3. **HIDE WHAT OTHERS SEEK.** The 8-inch diagonal color touch-screen slides up to reveal a password-protected area behind the display with space for cell phones, wallets or other valuables. Additionally, a USB port\(^1\) gives you one more place to charge your devices.

4. **IN THE MIDDLE OF IT ALL.**
The cavernous front floor console provides enough room for a laptop or other large items.

---

\(^1\) Not compatible with all devices. \(^2\) Cargo and load capacity limited by weight and distribution.
ALL THE ROOM YOU NEED. With the second- and third-row seats folded flat, you’ll have 94.7 cu. ft. of cargo space. That’s more than enough room for everyday use or a week-long road trip.

VERSATILE AT EVERY TURN. There’s space available for up to nine passengers, plus the option for second-row bench or bucket seats, and second and third rows that fold flat, so Tahoe can handle whatever twists and turns come your way.

OPENING IS EFFORTLESS. Standard on Premier and available on LT, the hands-free programmable power liftgate ensures you won’t worry less about the liftgate being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

Tahoe Premier in Siren Red Tintcoat (extra-cost color) with available features.
AVAILABLE Apple CarPlay™ COMPATIBILITY! Take some of your most used compatible iPhone® features and put them on your vehicle’s touch-screen display in a smart, simple manner. Access your Phone, Music, Maps and Messages, as well as some of your other favorite apps.

MAINTAIN YOUR CONNECTIONS. Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi® to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet. It offers great signal quality and bandwidth for up to seven devices.

SIRIUSXM SATELLITE RADIO? Listen to over 150 channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk, and the hottest entertainment, 24/7, during the trial period. The available All Access Package lets you listen to all of it everywhere — in your vehicle, at home or in the office on your computer, or on your smartphone or tablet.

YOUR PERSONAL PROGRAM DIRECTOR. Chevrolet MyLink® lets you program dozens of favorites, including radio stations, contacts, destinations (requires available Chevrolet MyLink Radio with Navigation®), music and other media.
SHOP! Easily browse, select and install apps that enhance your driving experience so it gets better every day. Using your vehicle’s touch-screen, you can customize your content with music, audiobooks, weather and more.

LUXURY IS A HOT TOPIC. A heated steering wheel is standard on Premier and available on LT, offering warm comfort on a cold day.

YOU’RE IN CHARGE. With as many as 14 charging locations, including an available wireless charging pad and up to seven USB ports to connect phones, tablets and other portable devices, you’ll always be able to stay in touch with your world.
1. AVAILABLE ANDROID AUTO COMPATIBILITY. You can quickly and intuitively interact with select smartphone apps with support for Android Auto. This system takes some of your compatible Android phone’s features and puts them on the Chevrolet MyLink display. You can access your navigation, phone, text messages, music and more.

2. myChevrolet Mobile App. Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you can start or turn off the engine, lock/unlock the doors and send destinations to your available navigation system.

3. THAT’S ENTERTAINMENT. The available Rear-Seat Blu-ray Entertainment System lets rear-seat passengers enjoy every drive with their favorite movies. With a new HDMI connection and Wi-Fi, it’s possible to project to the screen from your mobile devices.

4. AN EYE FOR INFORMATION. The available color Head-Up Display projects information, such as speed and turn-by-turn navigation (if equipped), onto the windshield while you’re driving so you can keep your eyes on the road. The Driver Information Center also provides critical data at a glance.

---

1 Visit chevrolet.com for details about Shop. 2 The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn. 3 Not compatible with all devices. 4 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. 5 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 6 Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service. 7 Map coverage available in the United States, Puerto Rico and Canada. 8 Requires Wi-Fi connection and compatible device.

Android Auto is a trademark of Google Inc.
THE ECOTEC3 ADVANTAGE. A trio of innovative technologies drive the 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency. Active Fuel Management™ deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Tahoe performs at optimum power and efficiency.

MAGNETIC RIDE CONTROL. Tahoe Premier features Corvette-inspired Magnetic Ride Control™, a real-time damping system that delivers a smooth, precise ride by “reading” the road a thousand times a second and changing damping in just 10-15 milliseconds.

LEAVE NOTHING BEHIND. With an available maximum towing capability of up to 8,600 lbs., you can pull boats, trailers, ATVs or anything else you want to bring along.
355 HORSEPOWER
383 LB.-FT. TORQUE
23 MPG
BEST-IN-CLASS HIGHWAY FUEL ECONOMY²

1 Requires 2WD and available Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Based on GM Large SUV segment. EPA-estimated MPG city/highway: Tahoe 2WD 16/23, 4WD 16/22.
SAFETY STARTS WITH YOU.
Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.
WE’VE GOT YOU COVERED.

**ADAPTIVE CRUISE CONTROL.** This available feature enhances cruise control by allowing the vehicle to automatically follow a detected vehicle at the driver-selected following gap, reducing the need to frequently brake and accelerate.

**FORWARD AUTOMATIC BRAKING.** If the system determines a front-end collision is imminent with a detected vehicle ahead, and the driver has not already applied the brakes, this available system automatically engages the brakes to help reduce the collision’s severity. The system may even help avoid contact at very low speeds.

**LOW SPEED FORWARD AUTOMATIC BRAKING.** If the vehicle is traveling at a low speed and this available system detects that a front-end collision situation is imminent while following a detected vehicle and the driver has not already applied the brakes, it automatically applies the brakes to help reduce the collision’s severity. The system may even help avoid a collision at very low speeds.

**FORWARD COLLISION ALERT.** This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Tahoe is following a detected vehicle too closely.

**LANE KEEP ASSIST.** At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

**SIDE BLIND ZONE ALERT.** With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

**LANE CHANGE ALERT.** Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear corners of the vehicle to help detect and alert the driver to fast-approaching vehicles in the adjacent lanes from up to 230 feet away, not just in the side view mirror blind zones.

**REAR CROSS TRAFFIC ALERT.** Using the same radar sensors as the available Side Blind Zone Alert feature, available Rear Cross Traffic Alert helps alert drivers to approaching traffic when backing up. If an approaching vehicle is detected, the driver is warned with visual and audible alerts.

**REAR VISION CAMERA.** Standard on Tahoe, the rear vision camera displays a view of the area immediately behind the vehicle on the 8-inch diagonal color touch-screen – making it easier to see what’s behind you while backing up.

**TEEN DRIVER.** This new technology encourages and coaches safe driving habits in a number of ways, including in-vehicle reports that monitor the frequency of available active safety feature activations, muting the audio system when front-seat occupants aren’t wearing their safety belts, and giving audible and visual warnings when the vehicle is traveling over a predetermined speed.

**INTELLIBEAM HEADLAMPS.** When oncoming headlamps are sensed or when taillamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

**SAFETY ALERT DRIVER SEAT.** The available Safety Alert Driver Seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other onboard avoidance systems.

**THEFT PROTECTION PACKAGE.** Protect your investment with the GM class-exclusive available Theft Protection Package that includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.
SPECIAL FEATURES

Available Bose® Centerpoint Surround Sound premium 10-speaker audio system.

Available power-retractable assist steps with perimeter lighting.

Rear vision camera.

Unique chrome grille insert (dealer-installed) available with the LT Signature Package.

**TAHOE LS**
- 5.3L EcoTec3 V8 engine with Active Fuel Management, Direct Injection and Variable Valve Timing
- 6-speed automatic transmission with Tow/Haul mode
- Automatic locking rear differential
- Autotrac® single-speed active transfer case (4WD models)
- Electric Power Steering
- 4-wheel disc brakes with Duralife® brake rotors
- Frontal and side-impact air bags
- OnStar Guidance Plan® (standard for the first three months, trial excludes Hands-Free Calling minutes), includes Automatic Crash Response and Turn-by-Turn Navigation
- Teen Driver technology
- Rear Seat Reminder feature
- Power-programmable door locks with lockout protection
- Daytime running lamps with automatic exterior lamp control
- Projector-beam headlamps
- LED tail lamps
- Outside heated power-adjustable, manual-folding body-color mirrors with driver spotter mirror
- Active aero shutters behind front grille
- Rear vision camera
- Rear Park Assist
- Intermittent front wipers with RainSense®
- Intermittent rear wiper with washer
- Black assist steps
- Capless fueling
- 18” aluminum wheels with high-polished finish
- Chevrolet MyLink® Radio with 8-inch diagonal color touch-screen display, Bluetooth® audio streaming¹ and AM/FM/HD Radio³ with CD player, includes 5 USB ports⁴ and auxiliary input jack
- SiriusXM Satellite Radio® All Access Package with 3-month trial subscription
- Bluetooth wireless technology ⁵ for select phones
- Steering wheel-mounted audio and cruise controls and Driver Information Center controls
- Forward Collision Alert
- Lane Keep Assist
- Rear Cross Traffic Alert
- Lane Change Alert
- Universal Home Remote

**TAHOE LS (CONTINUED)**
- Tri-zone automatic climate controls with individual climate settings for driver, right-front passenger and rear passengers
- Electronic cruise control with Set and Resume Speed
- Driver Information Center (DIC) with 4.2-inch diagonal multi-function color display
- OnStar 4G LTE and built-in Wi-Fi® hotspot for up to seven devices;¹ includes data trial for three months or 3 GB (whichever comes first)
- Interior lighting: Dome light, driver- and passenger-side door switch lighting with delayed entry feature, cargo lights, door handle- or Remote Keyless Entry-activated illuminated entry lighting, and map lights in first and second rows
- 1 Torque locations including a 110-volt power outlet, 5 USB ports and 5 auxiliary 12-volt power outlets
- Remote Keyless Entry
- Remote vehicle starter system
- Leather-wrapped steering wheel
- Floor console with storage area, cup holders and auxiliary input jack
- Overhead console with conversation mirror
- First- and second-row carpeted floor mats
- Fold-flat second- and third-row seats
- Underfloor storage with Cargo Management System in rear cargo area and cargo net
- Electric rear-window defogger
- Power windows with express-down, express-up for driver and front passenger
- Trailering equipment: Trailering hitch platform, 7-wire harness with independent fused trailering circuits mated to a 7-way sealed connector and 2-inch trailering hitch receiver

**TAHOE LT**
- In addition to or replacing LS features, LT includes:
  - High-intensity discharge (HID) headlamps
  - Foglamps
  - Outside heated power-adjustable, power-folding mirrors with integrated turn signal indicators, ground illumination, driver-side auto-dimming feature and memory feature
  - Bose® centerpoint® Surround Sound premium 10-speaker audio system
  - Keyless Open and Start
  - Power tilt and telescoping steering column
  - Heated steering wheel
  - Perforated leather-appointed seats
  - Heated and vented front bucket seats with 12-way power adjusters
  - Heated second-row bucket seats with power release
  - Power-folding 60/40 split-bench third-row seat
- 12 charging locations including a 110-volt power outlet, 5 USB ports, and 5 auxiliary 12-volt power outlets and a wireless charging pad³

**TAHOE PREMIER**
- In addition to or replacing LT features, Premier includes:
  - Magnetic Ride Control suspension
  - Side Blind Zone Alert with Lane Change Alert
  - Rear Cross Traffic Alert
  - Front and Rear Park Assist
  - LED daytime running lamps
  - High-intensity discharge headlamps

1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.

2 Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers.³ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada.⁴ Visit my.chevrolet.com/learn for vehicle and smartphone compatibility.⁵ Not compatible with all devices.⁶ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/travellink.⁷ Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plans provided by AT&T.⁸ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn.⁹ Requires available Max Trailering Package.¹⁰ Requires available Driver Information Center with 8-inch diagonal display.¹¹ Requires available Luxury Package or Texas Edition Package.¹² Requires Wi-Fi connection and compatible device.¹³ Does not include emergency or security services. Visit onstar.com for coverage map, details and system limitations.¹⁴ Requires data plan, compatible vehicle and compatible device. Some features require factory-installed remote start, power locks, Tire Pressure Monitoring System or active OnStar service.¹⁵ Requires available Z71 Off-Road Package.¹⁶ Requires available Z71 Midnight Edition.¹⁷ Not available with Z71 Off-Road Package or Z71 Midnight Edition.¹⁸ Requires available LT Signature Package.¹⁹ Requires available LT Midnight Edition.

**NEW VEHICLE LIMITED WARRANTY**

**5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY** Every 2017 Chevrolet Tahoe comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

**3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY** Chevrolet will warrant each 2017 Tahoe from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.
