The groundbreaking Tahoe offers a superb blend of sophistication, craftsmanship and capability. This premium SUV is stunning to look at boasting a finely tailored, spacious interior with all the technology you need to stay connected to your world. So no matter what the task ahead, you can be certain that your every need is catered for.
THE HEIGHT OF PURPOSEFUL DESIGN.
Tahoe combines an artistically sculpted shape with an athletic stance for an unforgettable first impression.

SMALL DETAILS MAKE BIG IMPRESSIONS.
1. Projector-beam headlamps and rear LED tail lamps add an upscale touch.
2. A hidden rear wiper is tucked ingeniously under the rear spoiler at the roofline.
A CLASS ABOVE THE REST.

THE QUIETEST TAHOE INTERIOR EVER. An acoustic-laminated windshield and triple-sealed inlaid doors help create a drive that whispers luxury.

IMPECCABLY REFINED. Woodgrain accents and contrast stitching add a distinctive element to this perfectly upscale environment.

YEAR-ROUND COMFORT. Envelop yourself in four-season luxury. Tahoe Premier offers standard cooled perforated leather-appointed front bucket seats.
VERSATILITY DEFINED.
How you use your Tahoe changes from day to day and even trip to trip. The supremely comfortable interior provides spaciousness for up to nine passengers in LS models.

FAST-FOLDING REAR SEATS. Enjoy the convenience of the fastest available power-release second-row and power-folding third-row seats of any competitor.

CAVERNOUS CARGO SPACE. With the second- and third-row seats folded flat, Tahoe offers 2,682 liters of cargo space.

PROGRAMMABLE POWER LIFTGATE. Standard on Tahoe LT and Premier, the programmable power liftgate ensures that you’ll worry less about the liftgate hitting a garage door or being out of your reach.

EXPAND YOUR PERSONAL SPACE.
1. Lockable storage behind the available 8-inch diagonal color touchscreen.
2. Each door has storage for maps, small items and with up to 15 cup holders, you’ll find at least one in reach from every seat.
3. The center console opens to store larger items like a laptop, a tablet or hanging files.
8-INCH DIAGONAL COLOR TOUCHSCREEN.
Available Chevrolet MyLink® lets you arrange icons and features on the 8-inch diagonal color touchscreen. Touch and swipe on the screen just like you do on your smartphone or tablet.

12 CHARGING LOCATIONS.
With up to 12 charging locations, including up to six USB ports to connect phones, tablets and other portable devices, you’ll always stay in touch with your world.

CONNECT YOUR SMARTPHONE.
Pair up to 10 compatible Bluetooth® enabled devices with Chevrolet MyLink® and access your contact list, take phone calls and play your favorite music.

STORE UP TO 60 FAVORITES.
Chevrolet MyLink® allows you to store up to 60 favorites, including radio stations, contacts, destinations (requires available Chevrolet MyLink® with Navigation), music and other media.

CONNECT YOUR SMARTPHONE.
Pair up to 10 compatible Bluetooth® enabled devices with Chevrolet MyLink® and access your contact list, take phone calls and play your favorite music.
INTUITIVE TECHNOLOGY, ALWAYS CLOSE AT HAND.

1. Available 30-speaker BOSE® Centerpoint® Surround Sound System.
3. The ambient air vent provides a sleek look and a cool flow.
4. Tahoe comes equipped with class-exclusive safety features and driver assist technologies that offer drivers and their passengers 360 degrees of protection.
WHERE TECHNOLOGY AND SAFETY EFFORTLESSLY COMBINE.
Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should exercise safe driving habits at all times and monitor the traffic, surroundings and road conditions at all times. Read the Owner’s Manual for more important safety information.

Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with an Automatic Emergency Braking System and Side Blind Zone Alert, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat.

Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child safety seat instructions for more safety information.

Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained with safety belts. See the Owner’s Manual for more airbag information.

The Most Advanced Tahoe Ever. You’re surrounded by safety.

A host of innovative driver assist technologies use strategically located cameras and radar sensors to warn you of potential risks on the road—or even in a parking lot.

Lane Change Alert. Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and warn the driver of fast-approaching vehicles in the adjacent lane from up to 70 meters away, not just in the adjacent or blind zones.

Front and Center. Tahoe helps protect you with a class-exclusive seat-mounted Front Center Airbag (standard with front bucket seats). In addition, the 6 standard airbags provide impressive protection in moderate to severe frontal, side and rollover crashes.

Added Security. Protect your investment with the class-exclusive, available Theft Protection Package. It includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

355 HP
HIGHWAY FUEL ECONOMY
10.2L/100KM

A SIX SPEED AUTOMATIC TRANSMISSION MANAGES THE 5.3L ENGINE PROVIDING UNMATCHED PERFORMANCE

V8/518NM OF TORQUE WITH VARIABLE VALVE TIMING

MAGNETIC RIDE CONTROL.
Tahoe Premier features Corvette-inspired Magnetic Ride Control,™ a real-time damping system that delivers a smooth, precise ride by “reading” the road every millisecond and changing damping in just 10-15 milliseconds.

ALL-NEW FRONT SUSPENSION.
A tuned coil-over-shock front suspension features lighter, stiffer aluminum control arms and front springs that are 25% stiffer than before. The result is an exceptional ride and confident handling.

TOWS UP TO 3,850 KGs.*
Tahoe offers a maximum towing capability of up to 3,856 kgs — plenty of power to tow boats, ATVs and whatever else you want to bring along.

*Maximum towing capacity is based on 2-Wheel Drive.

1 Based on GM Large SUV segment. EPA-estimated L/100km city/highway: Tahoe 2WD 14.7/10.2; 4WD 14.7/10.7.

2 Maximum trailer weight rating is calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. Contact your Chevrolet dealer for additional details.

Dimensions may vary by trim level. We recommend checking with your local Chevrolet Dealer for the latest information on models available for order in your market.
When you buy a Chevrolet, you don’t just take home a new car. You also enjoy the peace of mind that makes driving your Chevrolet a pleasant experience.

MIDDLE EAST VEHICLE TESTING
Every Chevrolet is tested in the region, so we know it can withstand the climate. Then, before launch, we check and double-check every inch of the vehicle for optimal performance. Chevrolet specifically develops many of its features—including its air conditioning, engine cooling systems and paint—to perform in tough conditions. The result is a car you can depend on.

COURTESY VEHICLE PROGRAM
Chevrolet strives for your convenience. In the unlikely event of a warranty repair involving extended repair times, you may be offered a suitable courtesy vehicle for your convenience.

CHEVROLET PARTS
Chevrolet’s region-wide dealer network is supported by a well-stocked parts distribution center, ensuring constant availability of parts to keep your vehicle on the road. Chevrolet parts are priced to ensure low cost of maintenance and at the same time guarantee that you get genuine parts at competitive prices.

CHEVROLET CERTIFIED PRE-OWNED VEHICLES
All of our Certified Pre-Owned vehicles come with the confidence of:
- A 110+ point quality inspection
- A minimum 12-month warranty
- 24-Hour roadside assistance
- A 7-day exchange option

Terms and conditions apply. Please contact your local Chevrolet dealer for more information.
MINIMAL MAINTENANCE.
MAXIMUM ENJOYMENT.

The Tahoe delivers affordability well beyond the showroom floor — it’s been designed and engineered with minimal maintenance features that keep you on the road for less.

The cam drive, cam phasing and valvetrain components require no scheduled maintenance.

The sophisticated cam-chain tensioner, high-quality cam phasing components and hydraulic lash adjusters are designed to ensure optimal valvetrain performance with no adjustment for the life of the engine.

Advanced control electronics and a wide range of sensors allow fail-safe systems, including ignition operation in the event of timing sensor failures.

Control software protects the engine from permanent damage in the event of complete coolant loss, allowing the engine to operate at reduced power for a prescribed distance sufficient for the driver to find service.

SCHEDULED MAINTENANCE

To complement Tahoe’s intelligent and protective engineering, regular scheduled maintenance will keep it running further and longer. To keep your vehicle in perfect condition, work should be carried out at regular intervals, according to the recommendations in your owner’s manual.

MENU PRICING

As time and kilometers pass, certain wear-and-tear items will need replacing. Whether it’s wiper blades, shock absorbers, or brake pads, it’s all covered in Menu Pricing and our competitive prices will help you keep your Tahoe on the road with minimal cost. Check with your dealer for details or log on to chevroletarabia.com.
