Trax Premier in Blue Topaz Metallic.

DISCOVER THE SMALL SUV BUILT FOR THE BIG CITY.

The new 2017 Chevrolet Trax brings good looks and street smarts together in a vehicle built for active city life. Athletic, contemporary styling helps you make an entrance wherever you go. A refined, comfortable interior takes the edge off the daily commute and adds a little more fun to every trip.

Connectivity is personalized with support for Apple CarPlay™ and Android Auto™ that provides a simple and smart way to use some of your phone’s features through the standard 7-inch diagonal color touch-screen display. A 5-Star Overall Vehicle Score for safety² from NHTSA and available advanced safety technologies mean you’re ready to take on whatever adventure lies around the next corner.
ATTRACTIVE CAPABILITY. Trax has been redesigned with a strong, sporty look and the utility to carry your latest find, camping gear, or almost anything else you need on your travels. A chrome-accented dual-port grille with a sweeping headlamp design makes a memorable first impression.

The rearward-sweep roofline is accentuated with bright-finished roof rack rails, standard on LT and Premier. Available bright-finished accents on door handles, beltline moldings and the rear liftgate punctuate the look. The story continues with a restyled rear and new taillamp details.

1. BRILLIANT FUTURE. See what’s ahead of you with a new headlamp design that adds flair to function. LED signature daytime running lamps are standard on LT and Premier.

2. WHEELS OF CHANGE. All-new 18-inch aluminum wheels are standard on Trax Premier.

3. LOOK GOOD COMING AND GOING. LED signature taillamps complete the sporty, sophisticated look and are standard on LT and Premier.
INTERIOR DESIGN

CONTEMPORARY COMFORT.
The thoughtfully designed interior is as comfortable as it is stylish. Seats with contrast stitching add to the modern look and feel. Chase chills away with heated driver and front passenger seats, standard on Premier.

COMMANDING VIEWS.
The classic Chevrolet dual-cockpit design is enhanced by a new instrument panel that provides the driver with at-a-glance access to important functions. True White backlighting is one more unexpectedly refined detail.

SIT BACK AND ENJOY.
Soft touch materials and Piano Black accents add a heightened sense of sophisticated comfort to the cockpit.
ROOM WHEN YOU NEED IT MOST. Ever had to move something, but couldn’t get it in your vehicle? Trax offers plenty of cargo space. There’s 48.4 cu. ft.1 of cargo room with the rear seats folded down and even more cargo space with the fold-flat front passenger seat — large enough to carry items up to eight feet long.

FOLD DOWN AND LOAD IN. Versatility is just one virtue of the modern design of Trax. With a 60/40 split-folding rear seat and fold-flat front passenger seat, you have eight different ways to carry passengers and other precious cargo.

ROOM FOR FIVE. Spacious 5-passenger seating gives you and your passengers plenty of personal space.

DISPLAY OF POWER. A new instrument panel design and driver display features a contemporary gauge cluster with an analog speedometer and a Driver Information Center that gives you a read on tire pressure for all four tires, oil life, fuel range and more.

NO FUMBILING WITH KEYS. Your morning balancing act of keys and coffee just got easier. Keyless Open and Start is standard on Premier and available on LT.

1 Cargo and load capacity limited by weight and distribution.
Apple CarPlay COMPATIBILITY.
With Apple CarPlay™, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Trax display. You can even interact with some of your favorite audio apps like iHeartRadio® and Spotify.

LEADING THE WAY.
Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi® to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet. It offers great signal quality and bandwidth for up to seven devices.

1. ANDROID AUTO COMPATIBILITY.
You can quickly and intuitively interact with select smartphone apps with support for Android Auto.™1 This system takes some of your compatible Android phone’s features and puts them on the Chevrolet MyLink® display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

2. KEEP IN TOUCH WITH YOUR TRAX.
Just download the myChevrolet Mobile App to your compatible smartphone to start/turn off your Trax (if properly equipped), lock/unlock your vehicle’s doors, send destinations to your available OnStar® Turn-by-Turn Navigation view key vehicle diagnostic information, set parking reminders and more.

3. STAY CHARGED UP.
Conveniently charge your compatible devices. The available auxiliary 12-volt power outlet, two USB ports13 and a 110-volt power outlet located in the rear of the center console ensure you remain plugged in to what you need.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for important feature limitations and information.

SAFETY FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Trax is following a detected vehicle too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without a turn signal, this available camera-based system sends an alert. The camera, mounted near the inside rearview mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT. This available feature alerts you to crossing traffic behind your Trax when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA. Standard on Trax, the rear vision camera displays a view of the area immediately behind the vehicle on the 7-inch diagonal color touch-screen — making it easier to see what’s behind you while backing up.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

10 STANDARD AIR BAGS. That’s more standard air bags than any other competitor in this class. Every Trax includes dual-stage frontal and knee air bags for driver and front passenger, head curtain side-impact air bags for front and rear outboard passengers, and front and rear seat-mounted side air bags.

ONSTAR AUTOMATIC CRASH RESPONSE. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Trax to see if you need help — even if you can’t ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. Automatic Crash Response is included in the OnStar Guidance Plan standard for the first three months.

5-STAR SAFETY RATING. The 2017 Chevrolet Trax has earned a 5-Star Overall Vehicle Score for safety. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA) New Car Assessment Program (www.SaferCar.gov).

A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the child restraint user manual for more safety information.

10 STANDARD AIR BAGS. That’s more standard air bags than any other competitor in this class. Every Trax includes dual-stage frontal and knee air bags for driver and front passenger, head curtain side-impact air bags for front and rear outboard passengers, and front and rear seat-mounted side air bags.

ONSTAR AUTOMATIC CRASH RESPONSE. In a crash, built-in sensors can alert a specially trained OnStar Advisor, who is connected into your Trax to see if you need help — even if you can’t ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. Automatic Crash Response is included in the OnStar Guidance Plan standard for the first three months.

5-STAR SAFETY RATING. The 2017 Chevrolet Trax has earned a 5-Star Overall Vehicle Score for safety. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA) New Car Assessment Program (www.SaferCar.gov).
TURBOCHARGE YOUR LIFE.

PERFORMANCE

TURBOCHARGED PERFORMANCE. The power to merge and pass with confidence comes standard, courtesy of the ECOTEC® 1.4L turbocharged engine paired with an electronically controlled 6-speed automatic transmission.

32 MPG HIGHWAY WITH FRONT-WHEEL DRIVE. Efficient and exciting are not mutually exclusive ideas. FWD offers a remarkable 29 MPG city* and 33 MPG highway. This can mean fewer stops at the gas station. And really, don’t you have more interesting places to go?

AVAILABLE ALL-WHEEL DRIVE. Responsive and agile, Trax makes it easy to navigate city streets. Front-wheel drive (FWD) with Electronic Traction Control is standard. For even more sure-footed traction, the available all-wheel-drive (AWD) system engages automatically when accelerating from a standing start. This system automatically shifts to FWD mode when the system detects there is no wheel slip, maximizing efficiency. Trax AWD also offers a smooth-going 30 MPG highway.

Trax Premier in Blue Topaz Metallic.

| FWD-estimated 25 MPG city/33 highway with FWD, 2020MY-estimated 24 MPG city/30 highway with available AWD. |

OWNERSHIP EXTRAS
- 24/7 Roadside Assistance
- Assisted and Courtesy Transportation
- Powertrain Limited Warranty for the duration of the Powertrain Limited Warranty. Assistance and Courtesy Transportation are also offered on the transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered. Please see your Chevrolet dealer for details.

Chevrolet will warrant each 2017 Trax from the date of the original owner delivery, for one (1) year or 12,000 miles, whichever comes first, to the extent you own and operate the vehicle as a passenger car for your personal, non-commercial use on the public streets and highways. However, the Trax will be warranted for a period of three (3) years or 36,000 miles, whichever comes first, to the extent you own and operate the vehicle in any other use. If you lease a 2017 Trax, you will receive a new Trax from the original owner delivery date to the original owner delivery date of the new Trax, for one (1) year or 12,000 miles, whichever comes first, to the extent you own and operate the new vehicle as a passenger car for your personal, non-commercial use on the public streets and highways. The engine in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY
Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Sometimes it is first necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the accessories and components that are acceptable to you.

ONSTAR® services require vehicle electrical system (including battery), cellular service, and GPS satellite signals to be available and operating for features to function properly. OnStar services do not cover third-party products. For details about specific services, visit onstar.com or call 1-888-466-7827. OnStar Government, Commercial, and third-party services are available at a charge.

A NOTE ON CHILD SAFETY
Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Equip all vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner’s Manual and the Child safety seat instructions for more safety information.
